PROFESSIONAL SUMMARY

Electronics and Communication Engineering undergraduate with a strong focus on software development, proficient in Java, Python and UI/UX design. Completed a two-month internship at Hitachi Energy, developing a Python-based automation tool to improve efficiency, Microsoft Azure and Salesforce certified professional with demonstrated leadership and teamwork skills as Secretary of the Rotaract Club.

TECHNICAL SKILLS

Programming Languages: Java, Python, JavaScript (ES6+), C, C++
Web Development: HTML5, CSS3, React.js
Tools & Platforms: Figma, Git/GitHub, VS Code, Microsoft Azure, Salesforce
CS Fundamentals: Data Structures & Algorithms (DSA), OOPs, Prompt Engineering

LEARNING EXPERIENCE

Hitachi Energy Technology Services Private Limited Chennai, India
Student Intern June 2025 – July 2025

- Developed a **Python automation script** optimizing internal tool processes, reducing manual processing time by **25%**.
- Analyzed corporate workflows and participated in daily scrum meetings to ensure alignment with industrial standards.
- Collaborated with senior engineers and mentors to troubleshoot and discuss system-level technical implementations.

PROJECTS

JARVIS Personal Voice Assistant | Python, Groq API [Project Link]
Built a voice-activated Windows background service powered by the **Groq API (Llama 3.1)** for real-time NLP. Integrated local STT, offline TTS, and **global hotkey triggers** for a hardware-efficient desktop experience. Packaged the system as a standalone executable with a performance dashboard and Git-managed security.

E-commerce Mobile Interface Design | Figma [Project Link]
Designed a high-fidelity e-commerce prototype from structural wireframes to interactive, user-centric prototypes. Optimized mobile shopping experience with a minimalist design aesthetic and intuitive navigation patterns. Architected a framework for future functional development and cross-platform implementation.

EDUCATION

Prince Shri Venkateshwara Padmavathy Engineering College Expected 2027
B.E. in Electronics and Communication Engineering (ECE) **CGPA - 7.9**

Sacred Heart Matriculation Higher Secondary School 2023
Higher Secondary Education (Class XII) **Percentage - 76%**

Sacred Heart Matriculation Higher Secondary School 2021
Higher Secondary Education (Class X) **Pass**

CERTIFICATIONS & ACHIEVEMENTS

- Microsoft Certified:** Azure Fundamentals (AZ-900)
- Salesforce:** Agentforce Specialist
- NPTEL:** Programming in Java (**ELITE Badge**)
- Award:** Star Rotaractor of the Year 2024 - 2025

LEADERSHIP & EXTRACURRICULARS

Secretary | Rotaract Club of PSVPEC 2025 – Present

- Orchestrated college-level events for 60+ members; improved club visibility by 40% via strategic branding.
- Developed key skills in **project management, team leadership, and public speaking** through community initiatives.
